Presidents Corner

Becoming President under the saddest and most unfortunate circumstances makes a person reflect on the value of friendship. If you had the pleasure of knowing Mark Palmer, you know what I'm talking about. He is truly missed.

For those who don't know me, my name is John Kandler and I have been a club member here for 26 years since moving from Nebraska. The people at the Monroe County Rod & Gun Club are some of the finest people I have ever met. The many active members already know that. If you're not yet an active member, come find out what I'm talking about. You'll enjoy yourself.

The Wild Game Dinner and the NRA Banquet were very successful. I would like to personally thank each and everyone who worked so hard to make it such a success. I would also like to thank the Ladies Auxiliary for all their hard work. For those who don't know, they are responsible in replacing the windows of the Club House and storm doors, along with many contributions to the betterment of this Club.

We have many functions coming up in the next few months, along with Rendezvous Weekend in June. Check out the website at mcr gc.org for all the details.

I welcome your suggestions and comments.

Sincerely,
John Kandler

Ladies Auxiliary

We have had many successful events already this year, without your support these events would have not been a success. We have installed all new windows at the club and would like to thank all the members whose hard work made this possible. We will be having more dinners in the coming months so mark your calendars. Don't forget that our meetings are held on the second Wednesday of every month. All members' spouses are invited to join the Auxiliary for \$10.00 application fee and yearly dues of \$10.00. If anyone has any ideas or suggestions please feel free to call me.

Lori Stevens
Auxiliary President
