Presidents Corner

As winter comes to a close another successful wildgame dinner is in the books. I would like to thank all that helped to make it a success. Along with spring comes some cleanup work. Please keep an eye out on the website and the Facebook page for the annual clean up date. The grass cutting crew do a wonderful job of keeping the grounds looking good, but are always in need of additional help. As always the monthly dinners continue to do well, but can always use more member support. The next big upcoming event is the annual fundraiser dinner. If anyone would like to help on this or make a donation please contact me. If you're not sure of what is happening at the club the easiest way to find out is to attend a general meeting. The meetings are held on the 2nd Wednesday of the even months of the year. Come on out! In closing if you have any questions or suggestions please feel free to call me or see me at the club.
