Presidents Corner

Dear Members,

As we head into spring and early summer the spring Walleye run begins as does the Spring Turkey season. Get out and enjoy the great outdoors. Don't forget how great fresh Morels are sauteed with a pan fried fillet of fresh Walleye. Whether you fish Erie, the Maumee, or the mighty Detroit river be safe as you start another year in the outdoors. Be a mentor, get the kids out of the house and into the outdoors, teach them what you know. Thanks to all who volunteered or donated meat or prizes to another great wild game dinner this year.

Many questions surrounding the Corona-virus pandemic are out there for our club members regarding club activities, what we know is this: The club is shut down through the end of March, this mandated from the State of Michigan. We will keep in touch with them and open portions of the club as the State will allow. Stay tuned to the website and Facebook page for the latest club status. We realize this is an inconvenience and an unfortunate result of the pandemic, however we also request the cooperation of the General Membership. If the website shows that the range is closed, it is closed. If the gate is open and the range closed signs are out, the range is closed. If the gate is locked, the club is closed. If the clubhouse is locked, the club is closed. There are no exceptions. Again, before you drive out, check the Website or Facebook page. Unfortunately we must cancel the club fundraising dinner on April 18th. Too many unknowns are out there at this time to plan for an event of this magnitude. The April events have been cleared from the Club Calendar, we will add events back when we know they can happen, until then, stay tuned and stay healthy.

In closing, things will get back to normal, we expect this to happen in stages. Take this new found time that we all have and help a neighbor or friend in need, knock out that long overdue chore. Good deeds are contagious, there is something about helping others that just makes you feel better. Our great club will reopen in time and our great Country will prevail!

Thank You,
The Club Chairmen of the Board and Board of Directors
