

Monroe County Rod & Gun Club

Bullet

April, May, June 2021

Presidents Corner

Dear Members,

If you are sick, or you have a fever please do not come to the club.

We are planning to start the monthly dinners back up in April, bring a friend and join us. Be sure to check the website for updates in case the Governor changes the rules regarding occupancy. Chicken dinners start back up on Sunday April 25th. Moving into May there will be a Muskrat dinner on the 15th, and cash bash on May 16th, hopefully you can attend some, if not all of these events. This year we are partnering with Domka Outdoors and hosting an archery shoot on 4/24 and 4/25. This will be a big event both days and will require all gun ranges to be closed. Registration is 9AM-2PM each day.

Spring Turkey season is approaching, the Morels should be popping soon, many game fish and pan fish will begin their spawning runs over the next few months. Get outdoors and enjoy this action. We are fortunate to live within 1 hour of the best Walleye fishing in America. The Detroit River and Maumee River are just great spring fisheries. To fish the Detroit River you need a boat and trolling motor that can keep you drifting just a little bit slower than the current. The Maumee offers superb shore fishing with hip waders, just respect the river and watch your footing. There is a Steelhead run on the Huron River, this should be happening now. On the smaller inland lakes the Crappie should begin hitting soon and the Gill's will be on their beds beginning around mid-May.

We hope you and your families have weathered the last year in good spirits and have stayed healthy. Stop by the club and sign up for one of the various leagues offered or other events. See you at the club.

Sincerely,

The Club Officers and Board of Directors
