Happy New Year

Dear Membership,

I would like to wish everyone a Happy New Year. I would also like to thank the membership for all the hard work that was invested to make 2014 a successful year. The club will close 2014 very healthy financially and with a strong membership. I am looking forward to leading the club into 2015.

The club received a grant from the NRA in 2014 that was used to purchase safety equipment and ammunition that will be used in our Junior Conservation program and our Youth Pheasant Hunt. This grant will help greatly to support these programs.

The next few months will be very busy at the club with many functions. Please monitor the calendar in the Bullet and on the website; also posts on Facebook for details. We always welcome the membership to participate in all functions. Feel free to contact myself or any of the Officers or Directors if you have any questions.

***Thanks again,
