

**MONROE COUNTY ROD & GUN CLUB**  
**October – November - December**  
**2012 BULLET**

**Dear Membership**

I am proud to announce that the roof replacement project has been approved by the Membership. In the near future you will see many changes to the club house. I would like to personally thank the Membership for supporting this project and the Committee.

On the political front the anti-gun groups have struck again. The language of the Sports Shooting Range Act has been changed by the Court of Appeals. I have talked to MUCC and they have filed a brief with the Michigan Supreme Court. They are asking the court to take up the case and overturn the Appeals Court's decision. If the court does not overturn the decision, MUCC will pursue legislative changes that clarify the intent to cover all shooting ranges operating before 1994, regardless of the type of range. I would encourage everyone to follow this on the MUCC website. <http://www.mucc.org/protectshootingranges/>

With fall right around the corner I would like everyone to make safety their #1 priority; there is no place for accidents.
