

MONROE COUNTY ROD & GUN CLUB
July – August - September
2012 BULLET

Presidents Corner

WELCOME SUMMER

The Club is in the process of replacing the current roof. Right now we are waiting for the drawings from the architect. After we received the drawings, it will go out for bid. This is going to be an expensive project that is going to need the support of the membership. Currently the participation of our monthly dinners has been down. These events help keep membership fees down and support the club and its operating expenses. We would encourage members to support these events.

I would like to wish everyone a safe and happy summer. Hope to see you at the Club.

Sincerely,
Paul Prucka
