Presidents Corner

Dear Membership,

I hope everyone had a Merry Christmas and a Happy New Year. I would like to start off by thanking you for your support in my pursuit to be President. I would also like to Congratulate Gerald Gonyea as he steps into the role of Vice President and all of the recently elected Directors. I am looking forward to an exciting and successful term. As we start off the New Year, we will have some continued construction on the new office and bathrooms. We ask for your patience and plan to get them finished quickly.

Those of you who know me well, know that I'm very passionate about the success of our club. One of those passions is our monthly dinners. While we do have consistent business at these dinners, a lot of it comes from the public. We are thankful to have the community members come out and support us, but I would really like to see more membership support.

The first big event this year will be the Wild Game Dinner. We are always looking for donations of wild game to make this dinner as successful and profitable as it can be. 2016 will be our 3rd year for the Annual Fundraiser Dinner. This dinner is a big fundraiser for the club. We are looking for any and all donations for silent and live auctions as well as raffles. It is always appreciated when anyone donates or comes out to help in any way.

If you ever have any questions or concerns you can see me at the club during most events or contact me via e-mail or phone call.

Sincerely,

Mark Palmer II

Closing Report

Dear Membership,

As I write this, my term is coming to a close. Although this is bittersweet, it is time for me to move on. The opportunity that you have afforded me to be President over the past four years is something that I appreciate and will never forget. The club has been in existence for eighty years and I am proud to have served as the 27th President of Monroe County Rod & Gun Club.

I would also like to congratulate all newly elected/reelected officers and directors. I know they will continue to move the club forward and in a positive direction.

Thank You

Paul Prucka

Past President #27
